HELPFUL HINTS: PENGUIN LAND

The diagrams below can be used to acquaint you with moving the egg. There are fifty levels in all. To get to level fifty, you must finish 1-30. After you have reached level #31 you will automatically be able to return to this level later. The computer will allow you to choose level #31.

If you would like to review each level, before you start or during play, hit the pause button then push down on the directional pad.
